### *tulip package* – £800

This package begins with the bride getting ready in the morning, photos throughout the day & ends with the cutting of the cake at the start of the reception. The bride & groom will receive a copyrighted CD of their photos. Also included is an 8x8-finished album, which holds approximately 30 photographs.

### *lily package* – £1200

This package begins with the bride getting ready, photos throughout the day & ends with the first few dances of the evening. The bride & groom will receive approximately 100 photographic proofs, which are supplied in a 6x6 black box. Also included is a 10x10-finished album, which holds approximately 30-40 photographs.

### *jasmine package* – £1400

This package begins with the bride getting ready, photos throughout the day & ends with the first few dances of the evening. The bride & groom will receive approximately 125 photographic proofs, which are supplied in a 6x6 black box. Also included is a 10x14-finished album, which holds approximately 40-50 photographs.

### *orchid package* – £1600

This package begins with the bride getting ready, photos throughout the day & ends with the first few dances of the evening. The bride & groom will receive 150 photographic proofs, which are supplied in a 6x6 black box. Also included is a finished album, which holds approximately 70-100 photographs in collage format.

### *peony rose package* – £2000

This package begins with the bride getting ready, photos throughout the day & ends with the first few dances of the evening. The bride & groom will receive 150 photographic proofs, which are supplied in a 6x6 black box. Also included is the Wedding Book, an Italian designed storybook album that holds up to 70 images in reportage style. The couple will also receive a calendar that has been personalised with their wedding photos for the desired year.

Lily, Jasmine, Orchid and Peony Rose packages are available with a copyrighted CD. The cost for this is £200 less than the packages shown. Couples will not receive the proof box with this option. With all packages, the couple will receive their own photo website for two months in which friends and family can view and purchase the photos. Black & White, Sepia & Blue toning are available upon request, at no additional charge. All photos are hand touched by a professional lab and edited in Photoshop by Jennifer. Additional editing is available at £7.50 per image, (for example, opening of eyes, removal of people).
